Financial Policy

We are committed to providing you with the best possible care. If you have medical insurance, we are anxious to help you receive your maximum allowable benefits. In order to achieve these goals, we need your assistance and your understanding of our payment policy.

Payment for services and/or co-payments is due at the time services are rendered.
Returned checks and balances older than 30 days may be subject to additional collection fees. Charges may also be made for failed appointments and appointments canceled without 24-hour advanced notice.

We will gladly discuss your proposed treatment and answer any questions relating to your insurance. You must realize, however, that:

1. Your insurance is a contract between you, your employer, and the insurance company. We are not part of that contract.
2. Not all services are covered benefits in all contracts. Some insurance companies arbitrarily select certain services they will not cover.
3.

We must emphasize that as dental care providers, our relationship is with you, not your insurance company. While the filing of insurance claims is a courtesy that we extend to our patients, all charges are your responsibility from the date the services are rendered.

If you have any questions about the above info` or any uncertainty regarding your insurance coverage, please do not hesitate to ask us. We are here to help you.

Notice of Privacy Practices/HIPAA Acknowledgement

The Health Insurance Portability and Accountability act of 1996 (HIPAA), established Privacy Rule to help ensure that personal healthcare information is protected for privacy. The Privacy Rule was also created in order to provide a standard for certain healthcare providers to obtain their ppatient'sconsent for the uses and disclosures of health information about the patient to carry out treatment, payment, or healthcare operations.

As our patients, we want you to know that we respect the privacy of your personal medical records and will do all we can to secure and protect that privacy. We strive to always take reasonable precautions to protect your privacy. When it is appropriate or necessary, we provide the minimum necessary information only to those we feel are in need of your healthcare information regarding treatment, payment, or healthcare operations, in order to provide healthcare that is in your best interest.

We fully support your access to your personal medical records. We may have indirect treatment relationships with you (such as laboratories that only interact with the physician and not patients) and may have to disclose personal health information for purposes of treatment, payment, or healthcare operations. These entities are most often not required to obtain patient consent.

We may refuse to consent to the use or disclosure of your personal health information, but this must be done in writing. Under this law, we have the right to refuse to treat you should you choose to refuse to disclose your Personal Health Information. If you choose to give consent in this document, at some future time you may request to refuse all or part of your Personal Health Information. You may not revoke actions that have already been taken which relied on this or a previously signed consent.

Be sure to review the Notice of Privacy Practices for important information about your rights under HIPAA.

By signing below, you acknowledge that the Notice of Privacy Practices was made available for your review if you request it, you had the opportunity to request a copy for yourself and may view the document on your website.
